March / April 2020 Newsletter

Great Members, Targets, and Fun!

From the President Warren Corby:

March / April, 2020

IMPORTANT CORONAVIRUS INFORMATION CHANGES FOR ALL MEMBERS

- A considerable amount of time at the March Committee Meeting revolved around the continued threat of Coronavirus, how government strategies are changing on a daily basis and most importantly how we can do our part in minimising the spread of the virus to our members, friends and visitors. The following course of actions will now apply effective Friday 20 March until further notice:
 - * *The Gold Coast Clay Target Club Management Committee would like to inform all members and visitors that there will be no practice on Friday March 20 and Thursdays and Fridays until further notice.*
 - * *There will be no coaching on Saturday morning from March 21 but normal practice on Saturdays will be open to G.C.C.T.C. members only between 1.00 – 5.00 p.m.*
 - * *All monthly competitions for the month of April have been cancelled.*
 - * *The forthcoming Skeet Two Day Carnival has been postponed with a date to be advised.*
 - * *The planned Junior Coaching Day has also been postponed with a date to be advised once the current health crisis has improved.*
 - * *The planned Annual General Meeting planned for April has been postponed to a date to be advised.*
 - * *Any further changes that need to be made will be sent to members via Facebook, Email and on notices at the clubhouse.*

- * **New Traps.** Our five new DTL traps are on their way. Our expected delivery date is mid April depending on any coronavirus restrictions being applied. Quite a deal of remodelling of trap bunkers will need to be done to successfully install these but our trap maintenance team is ready to go and we all look forward to more reliable traps and the best and consistent double rise targets we can throw.
