

## **MEMBERS' UPDATE**

### **Practice Sessions July 10,11**

### **Trap Competition July 12**

## **The news we have been waiting for - "Return to Competition" at the Gold Coast Clay Target Club**

**Please read the new processes for both practice and competition attendance for the upcoming dates carefully.**

Following the Government's relaxing of Covid 19 restrictions Stage 3 as of July 3 2020 the club can announce new guidelines to cover ongoing practice and competition. This is all possible thanks to the dedication of the 'Return to Business Group' who have developed all the necessary documentation and processes that have enabled the Clubs Management to sign the Industry Safe Plan that we will be operating under into the future.

The Plan still requires members and visitors to practice social distancing, wash your hands regularly or use sanitizer and do not congregate in groups.

To attend the club you *must provide* contact information the day you come, in addition to signing the range register. Per current state government requirements, if you have travelled to Victoria in the 14 days preceding your attendance at the club or if you are feeling unwell on the day, please do not come.

### **Practice**

We will no longer be using the TryBooking system for pre-booking practice under stage 3 guidelines. Instead, just show up at the club at the times designated below, and sign BOTH the Range Register, and the Attendance log.

Visitors may also attend providing they sign the Attendance log. If the club capacity is reached (we have chosen to implement a 75 person limit), the gate will be closed and entry not permitted until someone else leaves. This is unlikely to happen, but that's the process we have adopted to follow the rules while ensuring we can all enjoy our practice.

**Friday 3rd July.** One session 10am - 2pm.

**Saturday 4th July.** One session. 1pm - 4:30pm.

### **Trap Competition July 12**

We will be using a pre-nomination system via the My Clubs My Scores (MCMS) App.

- There will be a 75-person 'competitor limit' imposed on the day;
- If you have a Smartphone, please use the mobile application to nominate & pay. if you don't have the App on your phone it is available on **Google Play Store** or the **Apple AppStore**) If you don't have a Smartphone with the MCMS app, you can nominate online at <https://live.myclubsmyscores.com>
- For those unable to nominate via mobile or online, nominations may be taken on the day at the club however, your spot cannot be guaranteed if pre-nominations fill;
- On DTL competition days both the bar and kitchen will be open and serving food and drinks. Expect some changes in service and seating arrangements;
- Additional family members/companions may attend providing they comply with the rules & sign the Attendance log;
- Ammunition will be available for sale as usual.

\*Hints to use MCMS online booking system\*

1. Have your ACTA No & Credit Card Details ready
2. Once you open the App if its not on 'Shoots' (bottom left) press Shoots;
3. Select 'Scheduled' (Top Bar) and look for the date & club name, Press 'Gold Coast'. See example screenshot:

4. This will take you to a Nomination page, Press the big red '\$Self Nominate' button, then enter your ACTA number & personal details;
5. Before payment it will ask if you wish to be in a particular squad you can say 'Yes' if you wish, otherwise just continue. If you want to squad with your mates you could select a Squad Captain and when they nominate MCMS will generate a 'squad code number.' As captain you should advise your mates of this number before they nominate to ensure you squad together. Remember there is Handicap shooting so you may not be together all the time;
6. You will be taken to a Secure Page to make you Credit Card Payment and you will get a note to say that your nomination has been accepted & you will get advice/receipt on the email address you supplied.

Note: If you log on to nominate with the above MCMS web address on your computer you must click on on the second option '[www.myclubsmyscores.com](http://www.myclubsmyscores.com) > live-scores' and accept the 'Web Version' (No 3) and the process is much the same after that.

**This is an example of the New Normal, yes it is New but it is not Hard.**
