

GOLD COAST CLAY TARGET CLUB

Message from the G.C.C.T.C. Committee

Sporting Competition This Sunday July 5

We are pleased to announce that after relaxed Covid-19 restrictions in Queensland taking effect on Friday July 3, the club is able to begin competitions again under the Covid-19 Industry Safe Plan that has been signed off by our club in the last fortnight.

Our first Sporting Competition will be held on Sunday July 5 with registrations open from 8.30 a.m. at the office and competition from 9.00 a.m. It will be the usual Winter 75 T Event open to A.C.T.A. members with current books only. Two 25T rounds before lunch and one after lunch. Ammunition is available.

The following Covid-19 regulations will be in place:

1. EFTPOS only please.
2. Bring your own pen, lunch, drinks and a camping chair.
3. Social distancing needs to be practised at all times when not on the stands. Please do NOT congregate in groups outside social distancing arrangements and follow directional signs for your safety and that of others.
4. Please bring and frequently use your own hand sanitiser or use the ones provided.
5. The club is required to take additional information on signing in due to contact tracing should this be required. This also applies to any other visitors we have on the day. Your cooperation will be appreciated.
6. Please follow widely publicised Covid-19 restrictions, particularly if you have been in any local area in Victoria in the last 14 days. You should not attend.

The timeline for this competition shoot is very short but the committee is very keen to open the club again so we can enjoy the sport we love. You will be impressed with the improvements made during lockdown. Thanks to all volunteers who have made the shoot possible at short notice.

Welcome back to Sporting Competitions!
